## HUBERT — VINCENT VAN DUYSSEN 2019

1—  
2

Set of small tables specifically designed by Vincent Van Duysen to go with the Gregor sofa. They echo the rounded angles of the sofa to create a harmonious whole. Square or rectangular, these are occasional tables each with two wooden horizontal tops, supported by curved hide leather-covered vertical elements, which form a partially closed compartment between the top and the shelf below, designed to hold various handy objects for those sitting on the sofa.
