

HOLIDAY — FERRUCCIO LAVIANI 2013

1—
5

Ferruccio Laviani proposes a new concept sofa: narrative, evocative, less basic, more decorative, based on emotional comfort. Holiday features a wrap-around back against which the cushions are arranged, a light frame, chic, comfy, characterful seats, sartorial techniques for the details, and a host of different fabrics and leathers.

FEATURES

Modular sofa with a thin structure that accommodates soft seat and backrest cushions, made with mixtures of natural and innovative materials. The steel feet are available in shiny chrome, black chrome or pewter colour finish, to be specified when ordering. All elements can be used individually.
