## ANTON — VINCENT VAN DUYSSEN 2017

1—  
4

A bed that perfectly expresses Vincent Van Duysen's design philosophy, where essentiality and carefully chosen materials achieve a perfect synthesis. Delicate but clean lines for a harmonious aesthetic balance, the result of reducing anything superfluous. Carefully studied details with delicate but clear lines transmit an impact of fascinating charm and evoke strong suggestions of a decisive, contemporary furnishing scheme; the seams delicately outline the proportions.
