## GLOVE-UP — PATRICIA URQUIOLA 2016

1—  
2

Glove-Up is the evolution of a rigorous design theme, featuring sinuous, moulded and softly linked lines. A balance of forms which, from the fluid line of the backrest, flows into the lightness of the legs. An inviting chair or small armchair, upholstered in fabric or leather, make Glove-Up fun and versatile, suitable for any classic or contemporary setting.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
