

Molteni & C

MOLLIS — VINCENT VAN DUYSSEN 2026

1—
2

Designed to elevate both residential and hospitality spaces, the bar stool plays with generous proportions and materials. The swivel seat offers the freedom of unrestricted movement and lasting comfort, while the wooden frame and base add stability and structure. The design is further defined with a contrasting metal footrest and curved backrest, gently embracing the body, creating a sense of fluidity.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire-resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
