## D.270.1 CHAIR - D.270.2 ARMCHAIR — GIO PONTI 1970 / 2014

“And here is the new wide chair with a narrow and foldable seat”. So wrote Gio Ponti in 1970 when describing the launch of a chair that differed from all the others. A chair for conversation, reading a book or watching TV. Minimal overall dimensions, versatile, movable. Light but solid, easy, comfortable and affordable. A chair for everyone, for every occasion, for indoor use, for a house that adapts to our needs. Now, working in collaboration with the Gio Ponti Archives, Molteni&C has reissued the D.270.1 and D.270.2 chair and armchair: both are foldable, come in new finishes and woods – black or natural ash -, with backrest and seat in fabric, leather or wicker, or alternatively upholstered in the “Poesia del mare” fabric designed by Gio Ponti in 1970.
