A complete and perfectly calibrated system of furnishings suitable for all rooms of the home, it surprises with its aesthetic balance and the rigorous proportions of the individual components. The structure of the table creates a rhythm between solids and voids, enhanced by two finishes: pewter colour and glossy antique Gold. The two surfaces enrich the top part in wood, marble, smoked glass, and wood at the bottom. Refined materials and workmanship, attention to detail, for a family of elegant and refined contemporary furnishings.
