

LINEA — VINCENT VAN DUYSEN 2025

1—
2

The Linea armchair elegantly reinterprets the iconic trumpet base, a design element recalling the recent past, maintaining timeless relevance through more compact and harmonious proportions. The swivel base ensures maximum versatility. The compact structure combines with the enveloping softness of the seat, defined by a refined void on the backrest that lightens its visual profile.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.
