DIAMOND — PATRICIA URQUIOLA 2004

1—
4

Series of square or rectangular fixed tables marked by the unique shape of the legs and a thin top. The Diamond table by Patricia Urquiola, a classic of the Molteni&C collection, is enhanced in 2025 with new finishes. The glossy finish is now also available on the top.

The series of Diamond tables is now completed with new tops in Ecotone™, a mineral agglomerate and the ideal solution for surfaces and finishes in line with a contemporary living style, guaranteed to deliver constantly evolving even better performance.

ECOTONE™ A constant commitment to research and innovation

The new generation of slabs with recycled components

Ecological, a resin derived from bio compounds

A silica content of less than 5%

A production process that uses largely energy from renewable sources, such as wind, solar and biomass

The almost total recycling of water used by the plants

ECOTONE™ Features

Waterproof

does not absorb liquids

Fireproof

is heat resistant and non-flammable

Anti-scratch

is difficult to scratch

Acid resistant

resists external aggressions

Shock resistant

withstands impacts well

Stain resistant

resists stains from many products and is non-porous
