

Molteni & C

MARGOU — VINCENT VAN DUYSSEN 2021

1—
2

Vincent Van Duysen's new project for Molteni&C has materialized in an iconic and innovative work. The Margou armchair is the ideal embodiment of the Belgian designer's constant search for formal exasperation and aesthetic freshness.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
