WISH — RODOLFO DORDONI 2009

1—
4

Wish is the best example of the use of wood and attention given to details to create a timeless classic. A bed in solid wood with minimal, refined lines, comes with soft pillows, in fabric or in leather, which combine with the solid wood of the headboard.

In case of customer slatted base and/or mattress, check the correspondence of the measurements with the standard ones in the price list.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
