

Molteni & C

AZUL — NICOLA GALLIZIA 2020

1—
4

Exquisite details and delicate but clear lines contribute to the fascination and emotions aroused by this decidedly contemporary design. The surprising aesthetic balance is achieved by reducing the superfluous and by the well-proportioned construction of the individual component parts. Two sheets of bonded hide leather sewn together or with fabric or leather upholstery, the result of refined workmanship, elegantly enrich the lines. The surface of the bed comes in two heights plus the option of an extra storage compartment underneath, Azul reinvents the image of the bedroom, proposing a new way of sleeping, a synthesis of Nicola Gallizia's styling skills and Molteni&C's flair for innovation.

In case of customer slatted base and/or mattress, check the correspondence of the measurements with the standard ones in the price list.

For the versions with lifting base, please consider a mattress weight limit of 45 kg.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013.

The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
