## SOUTH KENSINGTON — RODOLFO DORDONI 2019

1—  
2

An all rounded sofa like the futuristic 2001 Space Odyssey, a design that was all the rage in the 1960s, but with a contemporary look. Two- or three-seater sofas, all-in-one seat and medium height backrest, these are the features that make this an instant classic, suitable for both residential and hospitality solutions for lobbies and lounges. The use of avantgarde materials and the extreme attention to detail as well as the chance to fit in with the Kensington armchairs, with which it shares the basic concepts, makes it an indisputable and exceptionally versatile protagonist.
