PIROSCAFO, 30TH ANNIVERSARY — ALDO ROSSI, LUCA MEDA 1991

1—

Aldo Rossi and Luca Meda have designed a piece of architecture; a large facade featuring regularly spaced windows and inspired by the Regione Umbria headquarter's facade in Perugia. Piroscavo is a versatile home cupboard - a bookcase for the study, a display cabinet for the living room or a sideboard for the kitchen. On the occasion of the 30th anniversary, a new façade lacquered in a warm Spice colour with eucalyptus interiors re-proposes a classic piece in a contemporary version without betraying its origins as a rigorous but functional piece of furniture.
