

## OCTAVE — VINCENT VAN DUYSEN 2020

1—  
9

Octave è un sistema di divani componibili di design dalle forme rigorose. Un progetto dalle linee geometriche essenziali, basato su elementi accostabili tra loro che danno vita a composizioni lineari, angolari o, tramite l'inserimento di elementi sospesi trapezoidali o rettangolari, a configurazioni inedite di grande attrattivit. Piedi a lama in acciaio pressofuso sostengono la base su cui poggiano schienali bassi imbottiti di forma rettangolare, in tessuto o pelle, dello stesso spessore dei comodi cuscini di seduta. A garantirne il massimo comfort cuscini d'appoggio complementari, sempre rettangolari o quadrati insieme all'elemento poggia testa che pu essere posizionato liberamente sullo schienale permettendone l'utilizzo in diverse posizioni. Oltre ai tradizionali elementi lineari o ad angolo, Octave dispone di elementi aperti per creare chaise longue o pouf che possono accostarsi alla composizione o rimanere liberi anche al centro della stanza. Gli elementi di congiunzione rettangolari o trapezoidali si caratterizzano per la presenza di innovativi vassoi in cuoio per appoggiare ogni genere di oggetti. Grazie all'ampia possibilit di creare composizioni articolate, Octave  ideale nell'ambito delle attivit "smart working" attraverso l'utilizzo degli elementi di congiunzione studiati per supportare laptop e tablet.

Il simbolo indica che questo prodotto  dotato di rivestimento sfoderabile. In alcuni casi, il prodotto  sfoderabile, ma solo da personale qualificato; questa evenienza viene evidenziata nelle avvertenze.

## FINITURE

FINITURE BASAMENTO  
verniciato zinco - verniciato peltro

FINITURE CUOIO RIGENERATO  
avorio - testa di moro - naturale -  
verde fango - tortora - nero

## INFORMAZIONI TECNICHE

### INTERNO STRUTTURA

Telaio composto da legno massello di Abete (Picea abies) e pannelli di particelle di legno, con cinghie elastiche.

### IMBOTTITURA STRUTTURA

Poliuretano espanso ad alta portanza a densità variabile. Fodera in vellutino accoppiato.

### CUSCINO SEDUTA

Inserto in poliuretano sagomato e piuma sterilizzata. Fodera in cotone 100%.

### CUSCINI SCHIENALE E POGGIARENI

Fibra poliestere e piuma sterilizzata. Fodera in cotone 100%.

### POGGIATESTA

Poliuretano espanso ad alta portanza. Fodera in vellutino accoppiato.

### VASSOI PORTAOGGETTI

Lamiera di acciaio termosaldato rivestita in cuoio rigenerato nei colori della gamma Molteni.

### PIEDI

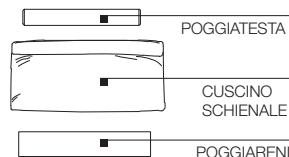

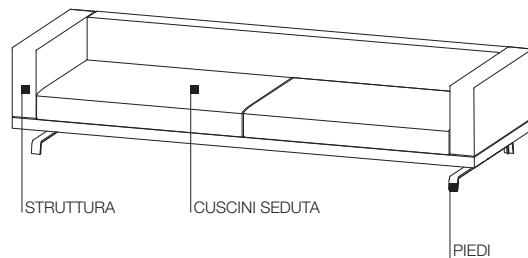

In acciaio termosaldato verniciato con puntali d'appoggio in materiale plastico antiscivolo.

### RIVESTIMENTO ESTERNO SFODERABILE

(Vedi scheda allegata, specifica del rivestimento).

## AVVERTENZE

- Codici a listino con **finale A**:  
Profondità 105 cm.
- Codici a listino con **finale C**:  
Profondità 95 cm.
- **Per la corretta ergonomia e per godere del massimo confort si consiglia di progettare ogni modulo utilizzando cuscino schienale, poggiapiedi e cuscino poggiarenni, secondo gli accoppiamenti/misure proposti a listino. Oltre alla corretta ergonomia la presenza di questi elementi conferisce al prodotto un aspetto estetico completo ed elegante.**
- **ATTENZIONE:**  
I vassoi portaoggetti non sono ordinabili singolarmente ma unicamente abbinati ai moduli previsti a listino.
- La mensola angolare deve sempre essere utilizzata con un elemento imbottito a dx ed uno a sx.  
Non è possibile utilizzare la mensola angolare come elemento terminale/finale.

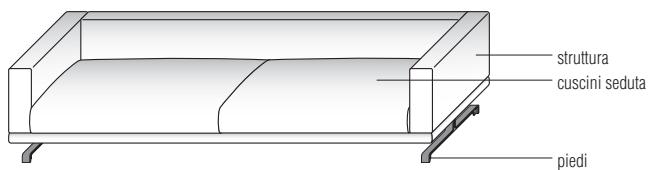

Molteni & C

### Nella compilazione dell'Ordine

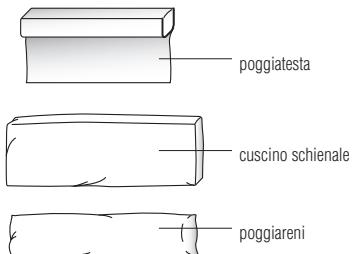

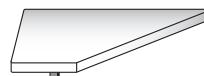

Specificare la misura di schienali, poggiapiedi e poggiarenni.
