SLOANE — MDT 2017

1—
5

Sloane è un programma componibile di sedute caratterizzato da una spiccata attitudine a modificarsi per dar luogo a soluzioni di arredo sempre nuove in linea con il moderno vivere contemporaneo. Un sistema dal carattere dinamico nel quale gli elementi compongono un originale gioco di morbidi volumi. Giocando sull'alternanza tra sedute e pouf è possibile creare accoglienti isole domestiche nelle quali vivere il proprio tempo libero in relax assoluto.
