## 45°/TAVOLINO
RON GILAD

Ron Gilad's new collection of furnishings, Grado°, underlines the designer's interest in basic geometric shapes. 45°/tavolino. Series of small tables with extra-light transparent crystal top, available in various sizes and marked by both a monochrome finish, american walnut or black oak, and by a bi-colour finish. Complex but essential shapes, "open box" table, of which we can only see the contours, able to integrate into all furnishing solutions with character.
